High Brass Lessons

Dr. Gary Hudson

Office FA-114B, Fine Arts Building
894-9611, x2262, ghudson@southplainscollege.edu

OBJECTIVES

1. The student will demonstrate knowledge of the fundamentals of tone production and playing technique of trumpet and/or horn.
2. The student will demonstrate growth in the ability to perform fundamentals, etudes, solos, and ensemble parts.
3. The student will demonstrate an understanding of the ability to perform in the trumpet/horn section of a large ensemble.

EXPECTATIONS

1. The student is expected to come prepared for the lesson and to be on time.
2. The student is expected to have practiced outside of the lesson and ensemble rehearsals. Five days a week for 15 minutes is considered a minimum amount. In reality, this is a lower expectation than for a sixth grade beginner. This is also the equivalent of a homework assignment in a lecture course.
3. The student is expected to attend group lessons when called for by the instructor.
4. The student is expected to behave in an appropriate and professional manner.
5. The student is expected to be interested in improving.

TEXTS/MATERIALS

The Instructor will inform the student what the necessary materials appropriate for the student's level of ability will be needed and where they are available.

ATTENDANCE

Students are expected to attend all lessons, both live and virtual. Unexcused absences will result in an F for the lesson missed. Students should give the instructor advance notice in the event that a lesson must be missed. Students must have a legitimate excuse. "I don't feel like it." is not an appropriate reason for missing a lesson. Students who come to their lesson unprepared, without appropriate materials, or exhibit no desire to improve may be dismissed and earn an F for that lesson.

GRADING

Each lesson will be assigned a grade, which will be a subjective evaluation of the student's growth in relation to the course objectives, student attitude, weekly preparation, and attendance. Grades will be as follows: A=4, B=3, C=2, D=1, F=0. The weekly grades will be added at the end of the semester and divided by the number of lessons in that semester. Students who come prepared to the lesson with all materials, and show improvement from week to week can reasonably expect to make a higher weekly grade.

Students receiving scholarships should keep the following contract requirement in mind:

“5. This scholarship is an award based on musical ability, **and it is assumed that the recipient has an interest in improving his/her musical skills.** Therefore, the recipient will be expected to register for **and pass** at least one credit of instruction on his/her instrument in the form of a private lesson (at least one 30-minute lesson per week). Failure to do so will mean forfeiture of this award.”
